

Foxfield Year 1 Homework

10th June 2022

Welcome back after your half term break. We have an exciting half term filled with lots of engaging activities for the Summer Term. In addition to this, you can choose the homework task you would like to begin with. Some can be done more than once if you choose to do them in a different way. Please ensure you record your home learning in an appropriate way, using neat, cursive handwriting and bring it in to celebrate with your class.

Writing

Write a letter to your new teacher telling them all about you. You could include some of the points below:

- Name
- Age
- Likes and dislikes
- Hobbies
- Family and friends
- Favorite things (animals, colour, food, subject, etc)

Make sure you remember to include features of a letter and descriptive language.

Choose your favourite animal and create a nonsense poem. Look up existing nonsense poetry to support you.

Reading

Reflect on your reading this year. Think about a book you have enjoyed reading the most in Year 1. Write a book recommendation for someone coming into Year 1.

The best book I have read in Year 1 was . . . because . . .

My favourite part was . . . because . . .

I think you will like it because . . .

It is all about . . .

Write a book summary for the book you are currently reading.

Maths

Create a daily time table of your daily routine for the whole day. Include the time and activity.

Time	Activity
6:45am	Wake up
6:50am	Brush my teeth
7:00am	Have breakfast

Choose a number from 10 – 100. Represent that number using objects such as pencils, pasta, coins, buttons, toys etc.

I.e. 51. I have 5 tens and 1 ones.

Find items around your home. Using non-standard units of measuring (no scales) identify which item is heaviest or lightest.

I.e. a pencil and a remote control. I can feel that the remote control is heavier than the pencil.

I can feel that the pencil is lighter than the remote control.

The ... is heavier than the ...

The ... is lighter than the ...

Science

Pick a country and research different plants that grow there.

Compare this to plants that grow in the UK.

Are there any similarities or differences?

Create a poster on how to look after a plant. Make sure you include the key nutrients a plant needs to stay alive.

RE

Research key information about Sikhism and record them using bullet points.

In Sikhism they believe to be a good human you should follow Guru Nanak's teachings. Create a list identifying different ways that will make you a good human. E.g. respect your friends and family.

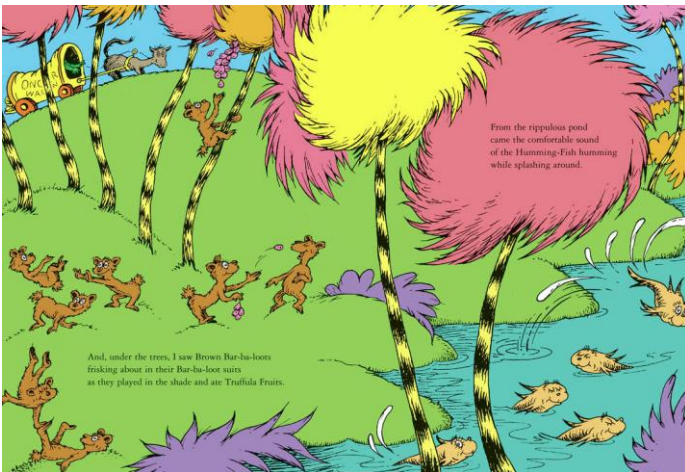

Geography

Use your imagination or previous experiences of going to the beach. Write a letter to your friend or family member telling them all about your experiences and what you got up to. (i.e. building a sandcastle, having ice cream or going to the pier).

Write a step by step guide on how to build a sandcastle. Make sure you are clear with your instructions and use time connectives.

Art

Create an observational drawing using part of the image. You can select a part to focus on, a character or an object. Use different drawing techniques and shading to create effect.

Create an image of a tree in your chosen style. Think about how you could create texture or depth to your artwork.

Common Exception Words

These are words that all year 1 children should be able to read and write by the end of year 1. Record a sentence for each word. Check for sense.

Little, called, help, ask, children, you, house, people, what, when, time

Children should also learn their weekly spelling and practice the phonic sounds found in their reading journal.
