

Monday 18th September 2023

Dear Families,

It has been a fantastic start to the term here at Foxfield and the children have settled into their classes with their new teachers really well. We wanted to take the opportunity to welcome our new nursery children, reception children and children who have joined us across the school. As you will be aware, in the final week of the Summer term, we received an Ofsted Inspection and we are pleased that we can now share the outcome of the inspection with you.

We are delighted to inform you that Foxfield has been graded Outstanding for overall effectiveness and in all areas:

**Overall effectiveness**

**Outstanding**

The quality of education	Outstanding
Behaviour and attitudes	Outstanding
Personal development	Outstanding
Leadership and management	Outstanding
Early years provision	Outstanding
Previous inspection grade	Outstanding

This achievement is a testament to the dedication, hard work, and commitment of our exceptional teachers, support staff, our wonderful pupils, and of course our supportive parent community. Foxfield Primary school is a truly special school to lead. The inspectors shared:

*“Foxfield gives pupils an experience that goes well beyond the ordinary. It sets the highest academic and personal standards, with a clear focus on helping pupils to become thoughtful, independent young people.”*

*“One of the school’s many strengths is the understated way that pupils’ academic and personal excellence is promoted. Leaders and teachers understand that everything they do is about giving all pupils, including those with special educational needs and/or disabilities(SEND), the best education possible.”*

*“Another strength is that everyone works together to achieve excellence for pupils. This is what makes the school so successful.”*

A copy of the full Ofsted report is attached to this letter.

We all share in the success of this inspection and as a highly ambitious school we will continue to adapt, develop and evolve to provide the best possible learning experiences for our children.

We look forward to a hugely successful year ahead of us!

With very best wishes,

M. Minnett
