

Tuesday 31st October 2023

Dear Families,

We are very excited to share with you some more details about our upcoming World Cafe event! We are pleased to be able to run this fantastic community event again where we can all come together and celebrate the wonderful work your children have been doing!

This event will take place on **Friday 10th November from 3.15pm - 4pm**. In their classes, the children will have completed a special Design and Technology project beforehand which means they will have created their own recipes from around the world and prepared them for everyone to come and try. Each year group will have their own table and the children will be there to talk you through their learning journeys and to hear feedback from you, the customers, on what you think of their final products.

As this is a community celebration event, we have invited local organisations to come and share the services they have for our community.

We will be in touch again in the week of the event to share the final arrangements for dismissal procedures and times, but for now, please make sure the date is in your diaries.

With very best wishes,

Mrs Garcha  
Inclusion Lead
