

Dear families,

We are delighted to announce our **Autumn Clubs** offer. We will be starting some exciting new clubs next starting from **18th September 2023** which will run until the week ending **21st December 2023**.

Extra-curricular activities have been proven to help with a child's confidence, personal skills, making new friends and academic achievement. The undertaking of extra-curricular activities is a great way of extending your child's learning through promoting their interests and allowing them to explore their individuality. We are offering a rich and varied selection of activities and we hope there will be something for everyone. We really value your feedback to develop our offer, so please let us know if there is a club that you would like your child to access!

To book a place for your child on any of the clubs listed below, please go onto **Arbor** and select the desired club and make payment of **£39 (£3 per session)** in full. **Please note that if you have the payment in your basket on Arbor and not put the payment through, your child's space will not be confirmed and they will not be able to attend the club.** If you have not yet activated your Arbor account please contact the school office so we can help.

Please ensure children are collected on time after the clubs.
