

Dear Families,

Monday 25th November 2024

Recent guidance from the Department for Education states that children should be provided with 32.5 hours of education in school each week. Currently our daily hours are 8:55 am to 3:15 pm, which means with our current timings we are 10 minutes short of the requirement each day.

From the start of January 2025 we need to make a slight change to the hours when children in Reception - Year 6 will be in school. A small change to our start and finish times will make us fully compliant with the government guidance.

We will be operating the following school times from Monday 6th January 2025 which is the first day back after the Christmas break.

Start of the school day	8:50 am
End of school day	3:20 pm

We hope you can see we have tried to maintain similar timings to our current practice with 5 minutes added to the beginning of the end of the day.

We wanted to give current parents and carers enough notice of this change from Monday 6th January 2025. If you have any questions, please do not hesitate to contact the school office. We thank you for your continued support.
