

Thursday 16th October 2025

Dear Families,

We are very excited to share the details about our upcoming World Cafe event! We are pleased to be able to run this fantastic community event again, where we can all come together and celebrate some of the delicious food items that our children will have prepared from different cultures that make the Foxfield community.

This event will take place on **Friday 14th November 2025 from 3.30pm - 4pm**. The children will be working on a two week project linked to their Design and Technology Food curriculum after the October half term. Each year group team will have their own table set up and the children will be there to talk you through their learning journeys and to hear feedback from you, the community, on what you think of their final products.

Please add this date in your diaries so you are able to attend this special event, to celebrate the children's cooking skills.

With very best wishes,

Ms Yusuf
Deputy Headteacher
