

Friday 30th January 2026

Dear Families,

Year 5 Iftar Event - Friday 27th February 2026

As part of Year 5's Global Learning Outcome, and based on the success of our Iftar evening last year, we would love to invite *all families* to join us for a special Iftar Potluck Dinner on **Friday 27th February 2026**, from **5:15pm to 7pm**. Ramadan is a sacred month observed by millions of Muslims around the world, and is a month of reflection, gratitude, and togetherness. The Iftar community dinner will be a wonderful opportunity to come together and celebrate the diversity within our school community.

For the evening to be successful, we would love for families to donate food for everyone to enjoy. If you will be able to donate something, however small, please fill in this [google form](#). It can be something sweet, savoury, drinks or dates. Please click on the link above if you are able to donate anything.

During the evening, you can expect insightful reflections and presentations from children, and time to engage with members of our school community, and enjoy a delicious meal!

Schedule for the evening:

- 5:15pm - 5.35pm:** Welcome and introduction by Year 5 children
- 5.40pm:** Breaking of the fast with dates followed by the maghrib prayer
- 5:55pm:** Food served (both halls)
- 7pm:** Event closes

We look forward to coming together as a community for this special event. Thank you for your support, and we hope to see you all there.

Yours sincerely,

Year 5 Team
