

Wednesday 11th February 2026

Dear Families,

We are pleased to reflect on the first of our newly introduced whole-school experiences, designed to foster enjoyment for our children. The Autumn Term saw the successful launch of **Foxfield Inflatables Day**, which transformed our school hall into a lively arena filled with bouncy castles, a giant slide and inflatable game!. The event provided our children with the opportunity to engage in play, share laughter with their peers and create lasting memories together. It marked a great start of our memorable events over this academic year.

As we look ahead, we wanted to remind you of the children's upcoming memorable events for the remainder of the academic year.

[Spring Term Highlight: The Great Foxfield Bake-Off](#)

It's time to get creative in the kitchen! Each class will work as a team to design, bake, and present one magnificent dish centered around a special theme. The Bake-Off celebrates collaboration, culinary skills, and imagination. Who will win the coveted Golden Spoon this year?

Week Beginning: W/c 16th March 2026

[Summer Term Highlight: Foxfield's Got Talent!](#)

Shine bright! Our first ever Foxfield Talent show will give each pupil the chance to showcase their unique talents, whether it's singing, dancing, comedy, magic, or gymnastics. This event is a true celebration of confidence, self-expression and the incredible skills within our school community.

In order to make these events a success, we are asking for a contribution of £2.00 per child for the entire year's activities. If you have not made payment yet, please do this via your Arbor account.

We are so excited to continue to share these memorable moments with your children and we look forward to the very exciting whole school events this year!

With very best wishes,

M. Minnett
