

Tuesday 19th May 2026

Dear Families,

We believe that every child has the power to change the world. To help our children take meaningful action on the issues they care about, we are excited to announce the launch of [SuperKind](#) at Foxfield.

What is SuperKind?

SuperKind is a unique, social action platform. It is designed to help children move from being concerned about world issues, such as the environment, homelessness, or animal welfare, to becoming active, empowered change-makers.

Through [SuperKind](#), your child will be able to access age-appropriate information on global causes, access safe tools to volunteer, fundraise, or campaign, and build a Social Action Profile with their class that celebrates their positive impact.

We want you to be a part of this journey from the very beginning. We are hosting a special introductory session for parents to explain how the platform works, how we will be using it in school, and how you can support your child's leadership journey at home. We will cover how social action can boost your child's confidence, well-being and communication skills. This session will take place on **Thursday 11th June at 9am** in the small hall.

We are incredibly proud to be a [SuperKind](#) school and look forward to working alongside you to inspire the next generation of kind, courageous leaders.

Best wishes,
Ms Yusuf

Deputy Headteacher
